

# Registration

## Summer and Winter seasons

The Eastern Districts Junior Basketball Association's (EDJBA) summer season runs from October to March, and winter season is April to September.

New players and those requiring a clearance from another EDJBA club, must attend Registration Day:

**Saturday 18<sup>th</sup> February 2012, 10am- 4pm**  
Ivanhoe East Primary School, Warndcliffe Rd  
Ivanhoe East Melways 31 J9

New players need to order an Ivanhoe Knights uniform singlet and shorts and need to fill out an association registration (orange) card or hand in a clearance (green) card.

Payment by cash, cheque or EFTPOS is available on registration day itself. However discounts apply by registering early and you can take advantage of our convenient Electronic Funds Transfer (EFT) payment option. Early registration is the easiest way that you can help the club to run smoothly.

See website for registrations forms and payment information.

## Costs

Early registration \$85 per player  
Registration Day \$95 per player  
Late registration \$120 per player

A uniform will cost \$70, plus \$6 game fee

# Ivanhoe Knights

## Game information

Games are scheduled on Saturdays at 50 minute intervals from 8:30am to 9:00pm.

For the younger age groups, U8-U11, approximately 70% of games are morning games, starting between 8:30 – 11:50am inclusive. For these age groups, it's rare to have a game at 3.10 pm or later, but they do happen.

Older age groups (U15 and up) can be expected to play at least 1-3 late games per season, 7:20pm or later.

Half of our games are played at our home venues of Ivanhoe East Primary School (SPACE centre) and Olympic Village Primary School. Most of the other clubs are closer in and many venues are handy to the Eastern Freeway. The away venues farthest away are in Research, Warrandyte and Park Orchards.

On average, Ivanhoe teams can expect to play once or twice a season at suburbs farthest away.

## Sport is healthy

- Meet other kids in your area
- Great exercise
- Experience a team sport
- Learn some ball skills
- Have fun!

No experience is necessary. The EDJBA competition is large enough to cater for all standards and levels of experience. Teams are selected by the club and then graded by the association to ensure that everyone gets placed at an appropriate level.

## Training

Training is one hour per week and is held 5:00 – 9:30pm Monday to Thursday. We train at Ivanhoe East Primary School, Ivanhoe Primary School, Olympic Village Primary School and Ivanhoe Grammar School.

Players need a basketball and drink bottle at training.

## Coaching

Our coaches are mainly parents, current players from older teams, or past players.

Many of our coaches are young people giving their time to help your children and to learn themselves, and it is important for parents to give them total support.

## Community

The club is a not for profit organisation run by volunteers. There are many ways to get involved and be part of our community:

- Be a Coach
- Be a Team Manager
- Help out at events

“Coaches will strive to give players equal court time - our club's philosophy is *pleasure and participation, not win at all costs*”

One of our ten *Golden Rules* for players and families

## You're part of a team

### Team selection

Consideration is given to the skills of the players, as assessed by the Team Selection Coordinator and selectors, after observations and comprehensive consultation with coaches. Also highly valued are commitment to team trainings and games, punctuality and positive team attitudes. Team balance (e.g. a good mix of talls and guards, balancing team offensive and defensive skills) is also considered.

The club supports the EDJBA's deliberate policy of changing age limit cut-offs to mix up players, as this forces clubs to ensure players learn from each other, and it mixes up and enlarges their social networks.

### Parent/carer commitment

Throughout the season you will be rostered on for scoring duty approximately 2 or 3 times. This involves collecting the game fee from each player, scoring the game with a parent from the other team and paying the venue manager the team's match fees.

Your Team Manager will support you, and be your main contact point for the season.
